## **Gas Appliance Supplier Declaration Database**

The [Gas \(Safety and Measurement\) Regulations 2010](#) came into force on 4 May 2010. These regulations make new requirements on gas appliance suppliers. Under the [transitional provisions](#) of the Gas (Safety & Measurement) Regulations 2010, the 1993 regime may continue to be used in respect to the equivalent gas appliance safety provisions until 1 July 2013.
