Removed declarations (Gas Regulations 1993)

Regulation 15C (2) of the Gas Regulations 1993 states:
The Secretary—

- a. may remove from the website any supplier declaration that appears to the Secretary to be incorrect, frivolous, non-complying, or outdated; and
- b. must promptly send notice of the removal to the manufacturer or importer.

Following Energy Safety auditing, the supplier declarations below were removed and the supplier notified. The supplier may make a new declaration that meets the requirements of the Gas Regulations.
